**SANDHOLM
NURSERY
& PRE SCHOOL**

Fun & Friendship!

Sandholm Nursery and Pre-school has been established since 1971 but is now under new management. The Gallagher family have acquired the nursery and Brenda Gallagher is the Nursery Manager & Proprietor. We are located on Lytham Road in Blackpool positioned close to schools and bus services. The nursery has been fully re-furbished to the highest standard to provide a safe, secure and fun environment for children of all ages.

Sandholm Nursery is regularly inspected by OFSTED and we operate a strict feedback policy to ensure high levels of parent satisfaction are maintained.

With this aside we pride ourselves on offering children a fun, educational and friendly place for them to develop and ready to face school.

We operate a no appointment policy and would welcome anyone who wishes to visit the nursery to have a look.

We have:

- Full trained staff who recognise the development needs of your child and create a challenging and stimulating environment where children can gain confidence and self-esteem.
- A full service kitchen offering a new healthy eating menu
- A dining room
- School style toilets
- A computer suite
- An outside play area
- A custom designed baby unit
- A toddler room
- After school club
- Early opening times for busy working parents
